Benefiting: The Gala proceeds benefit the Offshore Energy Center's mission--create awareness of the vast energy resources available beneath the world's ocean and the complex petroleum industry that delivers these resources to mankind in a safe and environmentally-responsible way. The OEC sponsors educational programs, the Hall of Fame, and operates the *Ocean Star*, an offshore drilling rig and museum at Pier 19 in Galveston, Texas. The *Ocean Star* with 12,000 square feet of exhibits is open daily to the public and provides the public and the industry the latest in offshore technology.
